

**Coffe
machine**

Charisma and simplicity: the X1 became an icon in the world of coffee machines and is now available in Iper-espresso, the revolutionary capsule system that allows you to enjoy the best of illy at home.

The X1 offers the highest quality and simplicity when preparing espresso: insert the capsule, push the button and you get a full-bodied aromatic espresso with a spectacular crema that remains for more than 15 minutes.

The design of the X1 is "retro futuristic," with soft lines and eye-catching original shapes, transforms the coffee into a unique aesthetic experience.

Size: W 34 x D 20 x H 35 cm.

Weight: 9 kg
